

2024 Fees & Charges

LAKE JOONDALUP BAPTIST COLLEGE

FEE SCHEDULE 2024

Lake Joondalup Baptist College is a coeducational PK-12 College, established in 1990. The College is a not-for-profit organisation, which exists to provide an independent education within the context of the Christian faith. The College relies on income from families in the form of fees, as well as recurrent funding from the State and Commonwealth Governments. A portion of fees each year is used for capital projects.

LJBC will continue with annual fee statements to give families certainty as to the cost of schooling for the year. Annual fee statements in January will combine all fees and charges that are foreseeable at the time of billing. Other charges such as Careerlink Training, VET Certificates, Football Development Squad Fee, Digital subscriptions, Tutoring and Instrument Hire may be added throughout the year for participating students.

Every attempt is made to include charges for excursions; however, if extra activities are incurred, these costs will be charged separately. Co-curricular camps and excursions require payment in full prior to the event (if not already included in subject or course levies). In addition, the College reserves the right to invoice families, other than for fees, should the need arise.
