

Dear Parents/Legal Guardian

The CAS (Coastal Associated Sport) is an after-school sporting program run by the ACC (*Associated & Catholic Colleges of WA*). Our ongoing commitment to the ACC and our passion for sport is what drives us to provide meaningful sporting activities for our students. CAS is a friendly, yet competitive sporting program, which enables students to engage with their friends through sport, building healthy relationships and self-management skills.

The 2018 Summer CAS sporting competition begins on Tuesday 13 February for Senior Secondary students (Years 10-12) and Wednesday 14 February for Lower Secondary students (Years 7-9). Students meet their team manager and nominated staff member at the College Sport Centre by 3.30pm. Game commence by 4.00pm and conclude by 5.00pm. Buses will arrive back to the College by 5.30pm for away games and all students are supervised until they leave the College or are collected by parents.

All students are encouraged to participate in a CAS team at the College. Please complete the 2018 CAS permission form and selections, which may be found at the following <https://forms.office.com/Pages/ResponsePage.aspx?id=3RvYqvw7OEagl4kgcK5ezmlittRNX59Gg2wyQNziiv1UNE9LNjhFUEpUREtVS1g4N1dRVktBQjkwSS4u>

Representing the College is a privilege and as such carries responsibility. Students are expected to participate in all rounds of competition once selected for their team. Fixtures are posted on the College website. Students representing the College are required to wear the College sports uniform and appropriate mouth guard (if required for that sport) and footwear for the activity. Shirts and all other equipment will be distributed by the College where required.

I look forward to your child participating in the CAS competition and representing the College.

If you have any queries or need any clarification, please do not hesitate to contact me.

Kind Regards,

Kim Clift

Director of Sport
