Congratulations if you have received an email advising that your child will be receiving an award at the 2023 Year 10-11 Awards Evening.

Time

1. **7pm** – all students to arrive promptly at 7pm to meet Mrs Maree in the Church Hall (across from the Auditorium) for an important briefing.
Have your name checked off before sitting down in your allocated seat.
If your name is not checked off, you will not receive your award during the evening.
2. ***Students who arrive late, or after the evening has officially commenced will not be able to receive their award during the evening.***

Attendance

3. Families are required to book free tickets to attend the evening and confirm your child/ren's attendance no later than **Tuesday 5 December 2023**.
4. If we do **not** receive confirmation (through Humanitix) that you will be present at the night, we will assume you are **not** attending. If you then turn up on the night without having notified us, award(s) will not be presented.
5. The Auditorium will be open for families to be seated after the Year 7-9 Awards Evening concludes. We look forward to seeing you at the Awards Evening.
6. The evening should conclude at approximately 8.30pm.
7. The College expectation for families who attend the Awards Evening is that they will stay for the whole Year 10-11 ceremony, and not leave part way through. We encourage all families who attend to celebrate the successes of all the students receiving awards.
