Emails

Key dates – Year 12 (academic year)

1. Last date for course changes

Monday 18 March 2019 - Week 7, Term 1

2. Last day for special examination arrangements to be registered

Monday 1 April 2019

3. Semester 1 Examinations begin

Monday 27 May 2019

4. Practical WACE examinations/Submissions begin

Wednesday 25 September 2019

5. Written WACE examinations

Wednesday 30 October 2019

6. College Graduation Evening

Thursday 5 December 2019

Exam concessions for the WACE exams

Applications for exam accommodations
Close

Monday 1 April 2019

We require the information as soon as
possible,

well in advance of closing date

(no application needed for mid-year exams)

Please see Mrs Eyre as soon as possible

Collection and return of forms and checking of results

What goes home:

1. Various forms from the College and SCSA
2. An important Final Statement of Results from the College

Essential that any forms are returned on time and that any results from the College are carefully checked in a timely manner

Course changes

Course changes for 2019:

- Course changes must be made ***before – the beginning of Week 7, Term 1***
- No changes into any General or ATAR pathways after Monday 18 March. It is possible to withdraw from a unit after this date – however 10 units must still be completed in Year 12 to meet WACE requirements.

Contact home

Contact home for students who are academically at risk:

In order to support students — Teachers and the Curriculum team will contact home immediately as the need arises and early intervention is the key to success in a course

Important not to ignore any early warning signs

What do I do in the event of illness?

If you miss an assessment due to illness, provide a medical certificate and write the assessment at a later stage. We will be providing an Assessment Catch-up class on Wednesday after school beginning in Week 4.

In the event of a serious illness, advise Mrs Kimberly Eyre or your HOH immediately so that we can set up ways of supporting you academically. With the use of SEQTA Learn, you have a direct link to each of your classes.

Do not attend school if you are ill as you may pass on your illness to other students.

Lake Joondalup
Baptist College

Family holidays and formal work

Please be aware that students should not miss any school days due to family holidays taken during regular term dates.

Please refer to the Student Planner and the Senior Secondary Assessment Policy for clarification and information on this issue.

We recommend no formal work in Year 12 if possible.

University (TISC managed and Inter-state) and TAFE enrolments

- During the year students are provided with all the information they require to manage the enrolment process for these institutions for 2020 enrolment. (This includes Medicine enrolment and inter-state universities.)
- It is very important for students to make sure that they do not miss any information for any reason.
- Meetings to disseminate information called through Student Notices (includes the UCAT – notice change of name – for students considering direct entry into Medicine).

Minimum ATAR for university entry

- An ATAR can be used to gain entry to most universities across Australia
- University entry in Western Australia is managed by TISC for the University of Western Australia, Curtin University, Edith Cowan University and Murdoch University
- Minimum ATAR not necessarily same as the Cut off Rank for some Courses of Study – may be considerably higher
- Minimum ATAR applies to majority of courses
- If you have an ATAR of 70.00, for example, it indicates that you've achieved as well as or better than 70% of the Year 12 school leaver age population (TISC)

University of Notre Dame Australia

- Does not necessarily only consider your ATAR, but does have a minimum 70 ATAR entrance
- Also requires a letter of recommendation relating to character and your general performance at school
- Does have early entry options which are managed from the Secondary Curriculum Office

TEA (Tertiary Entrance Aggregate)	ATAR
278	90
242.5	80
218.6	70
197.5	60

The TEA is the sum of your best four scaled scores plus 10% of your best Language Other Than English (LOTE) scaled score and/or 10% of your scaled score Mathematics Methods ATAR and/or 10% of your scaled score Mathematics Specialist ATAR

Portfolio Entry (ECU)

- Is a back up option for students who will generate an ATAR
- Is an alternative entry pathway
- May be used as an entry pathway for students who will not generate an ATAR
- Requires submission of a portfolio, including an introductory letter, a personal resume, your most recent school report and two letters of recommendation

Portfolio/Alternative Entry Murdoch and Curtin

- Each of these Universities offers a range of Portfolio entries depending upon the course/units studied
- Follow information on the Universities' respective websites for detailed information
- Being informed keeps students in the know so they can make the best of their opportunities

What happens if I miss out on Portfolio?

- Students are generally encouraged to enter the University Preparation Course (UPC) at Edith Cowan University
- Equivalent Preparation Courses at Curtin University of Technology and Murdoch University
- Complete a Certificate IV at TAFE

Study Tips for Year 12

- Organise yourself – use a planner – keep track of assessments/assignments
- Balance your study – don't procrastinate – falling behind is where students find problems
- Know your learning style – set up a study space – don't fill it up with distractions
- Ask questions – your teachers are here to assist
- Be familiar with the SCSA website – past exams can be found there to assist with your practise and study
- Be prepared!
